

PURC INVITES ALL PV SYSTEM INSTALLERS AND SUPPLIERS OF RENEWABLE ENERGY EQUIPMENT TO CONSULTATIONS

September 6th, 2023: The Public Utilities Regulatory Commission extends an invitation to **ALL** companies and individuals who import and/or retail renewable energy (RE) products, to attend a consultation on Tuesday September 26th, 2023. The Commission would like to hear of your concerns about the sector and invite suggestions for resolving some of the issues. Consultation details are given below:

Date: Tuesday September 26th, 2023

Location: Grenada National Stadium – Players’ Level 1

Time: 5:00pm – 7:00pm

The Commission also extends an invitation to **ALL** companies and individuals who install PV Systems to attend a consultation on Thursday September 28th, 2023. The objective of this consultation is to provide installers with the opportunity to communicate any concerns or issues you might have with PURC and its application process and provide suggestions for enhancing the functionalities of PURC and our procedure.

Date: Thursday September 28th, 2023

Location: Grenada National Stadium – Players’ Level 1

Time: 5:00pm – 7:00pm

Coming out of these consultations, the Public Utilities Regulatory Commission will review the concerns and issues raised that are affecting each group of stakeholders. Additionally, any suggestions put forward would be reviewed with the aim of improving the overall service delivery at the Commission.

For any queries and to confirm your attendance, please call the Commission on 437-1602 or send an email to amazon@purc.gd.
